## COMMUNITY-LED LANDSCAPE MANAGEMENT PROJECT (CLLMP)

### SPMU TEAM TOURS VARIOUS DISTRICTS

Teams from the SPMU are on a month long tour of all the project villages to review the CNRM plans prepared and to conduct field training for plan improvement.

A total of three teams will cover 38 villages by the end of the month. As on date, 10 villages have been covered which include Kynton Mynnar, 18th Mile, Umlangmar Myllem, Umlangmar Nongspung, Pahamkroh, Kdoh Hati, Narwan, Mawker, Mawshang and Umsiang Maiong.

#### SPMU VISITS KYNTON MYNNAR, EAST KHASI HILLS

A site visit by the SPMU took place along with a review of the CNRMP on 2nd April, 2019 at Kynton Mynnar, East Khasi Hills. The recommended plans included contour trenching along the slopes, increase in the number of recharge pits and construction of jalkund. There was also an inspection of the site for community nursery, spring rejuvenation and waste water treatment of washing platforms. All plans received approval.

#### REVIEW OF CNRMP AT UMLANGMAR NONGSPUNG

The SPMU on 3rd April, 2019 visited Umlangmar Myllem and Umlangmar Nongspung villages in the East Khasi Hills District. The CNRMP were also reviewed. The recommended actions include afforestation at catchment area and also vermin composting. The area is extremely degraded due to widespread stone quarrying. All plans received approval.

#### DPMU VISIT NARWAN VILLAGE FOR SITE APPROVAL

On 4th April, 2019, there was a site inspection by the DPMU, SPMU, MINR and VNRMC members in Narwan village, East Jaintia Hills District. The purpose of the visit was to review the proposed intervention site but because the site falls under private land ownership, the VNRMC is yet to come to an agreement, hence, the approval for the plan is pending.

#### INTERACTION WITH VNRMC MEMBERS AND FACILITATORS AT PAHAMKROH, RI BHOI DISTRICT

On 4th April, 2019, an interaction was conducted with VNRMC members and facilitators at Pahamkroh Village in Umling C & RD Block, Ri Bhoi District. There were 21 participants and the meeting was held at the Headman, Mr. S. Nongkeh's house. The villagers came up with the CNRM plan which prioritized contour trenches and the checking of dam site. Discussions were also on afforestation measures to control forest fires. Also present at the interactive meeting was Shri P.K. Marbaniang, DPD, SPMU.

#### CNRMP REVIEW MEETING AT KDOH HATI, RI BHOI DISTRICT

A CNRMP review meeting was held at Kdoh Hati, Ri Bhoi District on 4th April, 2019. There were 10 VNRMC members and village facilitators at the meeting which was held at the village Community Hall. The VNRMC members put forward proposals in the CNRMP which were then approved. The approved proposals include building of contour trenches, checking the dam sites, further inspection of ram pumps by MINR team, and two nurseries for afforestation one of which is a new site. The nursery and afforestation proposals are to be taken up as priorities.
